LICENSE

One individual may use the Material Properties DataBase (MPDB) software on any number of computers. This software is licensed to an individual not a computer. The program may be copied for backup. You may access MPDB through a network, provided that you have obtained individual licenses for the software covering the individuals who will access the software through the network. For instance, if 8 different individuals will access MPDB on the network, each individual must have their own MPDB license, regardless of whether they use MPDB at different times or concurrently.

You agree not to decompile the software or use any other method to access the source code.

You may not rent, lease or host this software.

DISCLAIMER OF WARRANTY

This software and the accompanying files are sold "as is" and without warranties as to performance or merchantability or any other warranties whether expressed or implied. Any liability of the seller will be limited exclusively to product replacement or refund of purchase price.
